The Wadsworth High School Band program consistently receives "superior" ratings in District and State Contests. The unique blend of competition with show band style makes the WHS Marching Band a favorite among audiences wherever they perform. The marching band proudly performs at Wadsworth community events throughout the year, participates at shows hosted by Lake and Massillon Bands, have also played at the OSU's Buckeye Invitational and "Skull Session". Recent trips have included New York City, Chicago and Walt Disney World, with educational facets always included.
