John Hutchinson- President

- Scammer report
 - The Band Booster have been receiving suspicious emails, and texts asking for money to be send to various person from people reporting to be board members. The Booster's have several checks and balances in place so no one person has the power to send money to anyone without the Board's approval. The

Wadsworth Police Department, as well as the School Administration, has been notified and there is an open case on this scamming racket. We have been told by the WPD that there are apps out there that can you anyone's information and turn it into a scam. Please beware.

Sandy Hutchinson- Chaperones

- Please sign up if you are interested in being a chap or contact Sandy after the meeting. Last year we had about 60-70 chaps for one football season. This year, we have about half that. Go to the Website and sign up. Parents will be chosen on availability and the order that you signed up in. You will receive an email either Saturday/Sunday prior to that week's Football game to check on your availability. If you do not respond by Wednesday, we are assuming you are unavailable and we move to the next person.
 - List of duties examples but not limited to:
 - Ride the bus and are responsible for that buses band member. No one gets on if not on the roster.
 - Carrying equipment into the stadium
 - Restroom monitors
 - Assist with stands, color guard flags, getting everyone and everything off the field quickly.

Karen Siffert- Concessions

- Sign up on Volunteerspot on the band web page or turn in the form supplied to you.
- We need 60 people per football game. Not difficult work. We would never ask you to do anything that you are not comfortable with. If you would like to be a cashier, please indicate it on the form or in the comments area. If you are going to be late, just indicate it.
- First concession is Tuesday night. Boys Soccer. Need 5-6 people around 5 pm. Not a stressful event. Try it out and see.

Polly Magnar- Treasurer

- We made \$912 on Meet the Grizzlies.
- We are planning an audit meeting for next week. We need three volunteers to help with this. Please see Polly afterwards.
- The budget is ready but there technical difficulties tonight preventing us to discuss with the membership.

Vicki Marks- Secretary

- Several thank you notes have been written to various people and companies for their support.

- There was a bylaws committee held this past week. There are a few items that were thought that we need to added or omitted.
 - Band Boosters supports the instrumental program as well as the color guard. So Color guard was inserted where necessary.
 - In Article V Duties of Officers section 5.03 regarding Secretary duties. It was felt that “providing written copies of the previous meeting “ was antiqued and should be removed.
 - Still in the section 5.03, removal of partial wordage “ notifying memberships of dates and times of scheduled meetings in as many ways possible (newsletter, email, service announcements on WCTV, etc.)”. We would end the sentence at “ as many ways possible.”
 - In Article X section 10.01, we proposed that waiting an entire month to deliberate on a matter is too long and should be omitted.
 - These changes will be voted on at the September’s meeting.

Cindy Beeman- Uniforms

- Hat bags are given to every new band member and all freshmen. Every band member must bring the hat bag to every performance. In the hat bag, should be your school supplied raincoat, gloves (\$5) if worn, and money/ cell phones.
- Gloves cost \$5. They must be cleaned prior to inspection. They are washable.
- Shoes must be white. Shoe polish or Magic eraser, prior to Friday Night.
- Uniforms are very old (12 years). Uniforms are made to last 10- 15 years.
